

Nicholas Hawksmoor Primary School

Pupil Premium Report 2017 -2018

Context of the school

Nicholas Hawksmoor Primary School is a large; two form entry school in Towcester, Northants with a Nursery. We have high aspirations and ambitions for all our pupils, and we are determined to ensure that all our pupils are given every chance to realise their full potential.

At NHPS we have a small percentage of pupils in receipt of Free School Meals. Additionally, we have a small but significant percentage of pupils with Special Educational Needs or Disabilities; many of these have a very high level of need. We recognise each pupil as an individual and as a result consider that there is no “one size fits all”, so it is essential that we identify individual barriers in order to so that our pupils can flourish by working as team of teachers, other professionals and families to create a plan for each individual.

Pupil Premium funding represents a very small proportion of our overall budget, however we are committed to providing personalised targeted support to ensure that it is spent to maximum effect for identified pupils.

Pupil Premium Grant (PPG) allocation

Nicholas Hawksmoor Primary School receives a Pupil Premium Grant for each child who is entitled to receive Free School Meals or who has been entitled to over the last six years, and for any Looked After Children or Service Children.

Nursery age children are not eligible for the Pupil Premium. Pupil Premium funding is only available for children in Reception to Year 11 who are aged 4 and above.

In the financial year 2017-2018 the Pupil Premium is again allocated to schools based on those children on role in January 2016 that were known to have been eligible for Free School Meals (FSM) census on any pupil in last six years. Pupil Premium was also allocated to pupils designated as ‘Looked After’ and those children identified as being ‘Service’ children.

The Department of Education (DfE) defines ‘Service’ children as children and young people from families where one or more parent is currently in the British armed forces. In addition, children of parents serving in the armed forces of another nation who are stationed in England and who exercise parental care and responsibility are classed as service children. Children who are recorded on the school census as service children will qualify for Pupil Premium funding. The aim of the Service Premium is primarily to support the emotional and social well-being of the pupils.

This year September 17 –August 18, 23 (Jan.18) children at NHPS will receive a Pupil Premium Grant as our population includes 7 Children who are ‘Looked After’ (CLA), or ‘post CLA’ as well as 1 child who will receive the Service Premium grant and 1 child receiving EYPP.

Pupil Premium funding for the financial year 2017-2018 is £1320 for each primary aged pupil and looked after funding/post CLA funding is £1900. Service Premium remains at £300 and EYFS PP at £302.

Principles

Our key objective in using the Pupil Premium Grants is to narrow the achievement gap between pupil groups. As a school we have a good track record of ensuring that pupils make good progress, but are aware that good achievement outcomes may present more challenges for FSM pupils – this is also a trend noticeable in national data.

Through targeted interventions we are working to eliminate barriers to learning and progress and our aim is to ensure that they make accelerated progress in order to reach age related expectations or above as they move through the school. We ensure that teaching and learning opportunities meet the needs of all the children at Nicholas Hawksmoor Primary School.

Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. This may mean that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

We ensure that appropriate provision is made for children who belong to vulnerable groups, this includes ensuring the needs of children entitled to Free School Meals and children who are Looked After or Service Children are assessed and addressed.

Main objectives of PPG provision

School will ensure that the children who qualify for the Pupil Premium Grant have their needs clearly identified and their progress closely monitored and tracked through school. Each pupil has a personal Provision Plan which is shared with parents.

This year the Governors have targeted the allocation of the Pupil Premium Grant for 2017-2018 to:

- Providing early intervention in EYFS, KS1 and lower KS2
- External support to be bought in when needed for families to improve attendance and engagement.
- Increased teaching capacity to enable targeted groups to benefit from smaller teaching groups.
- Dedicated mentoring to support social/emotional/behavioural needs.
- Provide Speech and Language specialist support.
- developing learner self-awareness and self-regulation and engagement
- increasing parental engagement
- ensuring equality of access to the outstanding richness of curriculum at NHPS

Number of pupils and pupil premium grant (PPG) received

Total number of pupils on roll	461 (including nursery)
Total number of pupils eligible for PPG	24 23 (Jan 18)
Total amount of PPG	7x £1900 = £13,300 15 x £1320 = £19,800 1x £302 =£ 302 1x £300 = £300 Total £33,702

Planned Pupil Premium Grant spending by item/project 2017/18

Year Group	Item/project	Cost	Objective	Outcome
	Pupil Premium Lead	£1000	Co-ordinate targeted support / intervention for pupils to address underachievement Support effective use of data and gap analysis and co-ordinate provision with teachers / year groups Monitoring impact of provision and pupil progress and adapt as necessary	Provision is personalized and targeted to ensure pupils make good progress
Years 5 and 6	One to one tuition in maths and reading HLTA	£600	One to one targeted support in reading and maths to support over-learning, practice and reinforcement	Pupils achieve targets for the end of KS2 SATs demonstrating good progress
	Gifted and Talented Support in maths	£1500	To support high achievement at Level 5 and level 6	Pupils achieve targets for the end of KS2 SATs demonstrating good progress
