

14<sup>th</sup> June 2018

Dear Parents,

**Ofsted Visit**

As you are aware, Ofsted visited us yesterday as part of the usual inspection cycle for good schools following our previous inspection in December 2014. The format for this under the new framework is a short inspection, with one Lead Inspector for one day. The process involved observing teaching, meeting parents, meeting senior staff and governors and looking at pupil work.

I would like to thank all of you who took the time to talk to the inspector or complete the online questionnaire. The quantity of responses was unusually high and we have been truly overwhelmed by the level of response (190), positive comments and support from our parent community. I have attached the results at the end of play yesterday for your interest. It is so important to us to know that you value NHPS so much. Thank you.

Our pupils, as always, were amazing: they took it all in their stride and showed the high levels of engagement, courtesy and respect that we have come to expect from them.

We will share the report with you as soon as it becomes available but in the meantime we look forward to our Summer Fair on Friday after school. The weather is looking good.

With sincere thanks and best wishes,

Andrea Curtis

Headteacher
