

12th October 2018

Dear Parents,

### **Harvest Festival**

On Thursday 18<sup>th</sup> October, children in Year 2-6 will walk to St Lawrence Church for the Harvest Festival at 9.30am. Parents are welcome to attend, however seating is limited and we do ask that seats at the front of the Church be left free for pupils and staff.

We are making donations to the Towcester Foodbank, and hope that you will all help us to support generously, especially due to the need expressed by the Foodbank. As it was so successful last year, we are running our Harvest collections as a House Competition. Each House will have a trolley that we are hoping to fill. Attached is a list of items that the foodbank is in need of.

Please note that the school is a Foodbank Collection point and food items can be deposited in the box outside our Reception class at any time.

With best wishes
